

BUT DON'T FORGET CAPE MAY'S OCEAN CLUB HOTEL WHEN YOU FEEL THE NEED FOR HIGH-END LUXURY

Cape May is Wildwood's richer relation and is just further down the peninsula, where the Delaware Bay meets the Atlantic and where the America's presidents used to vacation before Martha's Vineyard became so popular.

It has catered for visitors since the early 1600s when Native American tribes summered on her beaches and holds the distinction of being the oldest seashore resort in the United States.

The most distinctive feature about Cape May is its Victorian heritage, which is beautifully and carefully retained in several hundred manicured houses throughout the city.

When it comes to finding a room for the overnight, the **Ocean Club hotel**, is the most famous and certainly the most luxurious.

This boutique hotel provides the perfect blend of style and comfort. Indulge in the hotel's breezy elegance with its modern sophistication, lush bedding and chic custom designed furnishings. Leisurely pass the day sipping a cocktail poolside, on the spacious sundeck offering spectacular views of the ocean or bask in the sunshine on the beach with their complimentary beach service.
