##### Revel

500 Boardwalk, Atlantic City  
855-348-0500  
[revelresorts.com](http://revelresorts.com)

If you didn't know about Revel's recent opening, you must have buried your head in the sand. The hoopla introducing the majestic new Boardwalk resort was impressive. The First Lady paid a visit. The Governor stayed overnight. But best of all: Beyonce headlined opening weekend despite being a new mom who is not on tour. The buzz got as big as the \$2.4 billion, 20-acre resort that sits just feet from the ocean. It was a well-done opening for Atlantic City's newest gamble.

#### Best Custom-Made Pancake

##### Mustache Bill's Diner

Broadway and Eighth Street  
Barnegat Light  
609-494-0155

Your mom wasn't even this good! At this breakfast favorite, you can order your pancake in almost any shape you can imagine (mermaids, pirate ships, the Barnegat Lighthouse). Or try the Cyclops: a one-eyed breakfast monster with two eggs on top of each other in the middle of a double-decker stack of pancakes.

#### Best Poolside Experience

##### Ocean Club Hotel

1035 Beach Avenue  
Cape May

You'll be relaxing in heaven at the Ocean Club's beautiful pool, with its great views, sun beds, cabanas and poolside bar. The boutique hotel just finished a major renovation, so you'll love your room, too. (Stay on the Penthouse Floor – it's cool, private and no one under 16 is allowed to stay on that floor.) See you there.
